February 2018

Dear Friend,

On **Friday, May 18, 2018** friends and supporters will gather at **The Tokeneke Club** in Darien for **IMAGINE**, the Family & Children's Agency (FCA) spring benefit. IMAGINE is FCA's signature event and our largest fundraising initiative. We look forward each spring to celebrating the important work of the Agency and to enjoying an evening of fine dining and dancing.

Last year, because of the support from businesses and community leaders like you, we were able to provide critical services and support to over 13,000 clients and offer more than 30 programs that met the needs of individuals in our community across the lifespan. This year, we are looking to accomplish even more. We hope that you will join us by becoming an early patron sponsor. Your commitment by March 12 will ensure that you are listed on our invitation and other event materials.

For over 75 years, Family & Children Agency's has worked to build better lives in our community through strength-based, solution-focused services. We work to build families through our *Foster Care* and *Adoption* programs. We work to strengthen families through our *Family Support* and *Child & Family Development* programs (which includes an after school program, *ASPIRE*). We work to stabilize families through our *Behavioral Health* services and, for individuals experiencing homelessness, we offer a safe space to help them rebuild their lives through our *Community Connections* program. Finally, we support families and the elderly with services to assist them throughout the aging process in our *Home Care* programs.

Enclosed is information about the event, including sponsorship opportunities; details can also be found on our website at FamilyandChildrensAgency.org. For more information, please contact Janina Serrao, Director of Development, at jserrao@fcagency.org (203) 855-8765.

We thank you in advance for your consideration. Your sponsorship and support will truly make a difference in the lives of so many people right here in our community and will play a key role in the success of our event.

We look forward to seeing you on May 18th.

Sincerely,

Robert F. Cashel
