INDEPENDENT AUDITORS' REPORT

Board of Directors
Family & Children's Agency, Inc.
Norwalk, Connecticut

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Family & Children's Agency, Inc., which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Family & Children's Agency, Inc. as of June 30, 2022 and 2021, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Family & Children's Agency, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Family & Children's Agency, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Family & Children's Agency, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Family & Children's Agency, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of program services expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 16, 2022 on our consideration of Family & Children's Agency, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Family & Children's Agency, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Family & Children's Agency, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION

Family & Children's Agency Inc. (the Agency) is a nonstock, not-for-profit corporation formed as a social service agency engaged in assisting individuals and families primarily throughout Fairfield County who are faced with adversity. Assistance is available through various programs that provide professional guidance designed to promote harmonious family and interpersonal relationships and healthy personal development.

Program Services

The Agency provides the following services:

Parenting Services

FCA's early childhood home visiting programs provide a continuum of care for pregnant women and families with children birth to age 8 and are designed to promote healthy birth outcomes, strong parent-child relationships, and healthy child development. FCA's Adoption Program is licensed in Connecticut and New York to provide home study and child placement services through international and domestic adoption programs. FCA also provides birth parent counseling to pregnant women and expectant fathers considering a plan of adoption.

Behavioral Health Services

Behavioral Health Services include individual, family and group counseling. As a licensed child, adolescent and adult psychiatric clinic, the Agency provides assessment, psychiatric services and counseling to individuals ages five and up. Project Reward is a substance abuse treatment program for substance-abusing women and their children. The program provides intensive outpatient services and aftercare. Homeless service programs provide social rehabilitation case management and supportive housing. Revenues are received from client fees, federal and state grants, contributions and in-kind donations.

Child Welfare Services

Child Welfare Services encompasses in-home child psychiatric services as well as specialized foster care, family support programs such as Parents as Teachers and our MOM'S programs and youth development programs such as the ASPIRE after-school program. Revenues are received from program fees, federal and state grants, contributions, in-kind donations and fundraising events.

Home Care Services

Home Care Services include Live-In, Home Health Aide, Assisted Transportation, Chore, Companion and Homemaking services for the frail elderly. Revenues are received from client fees that are largely paid by third-party payors including federal grants, private payors and contributions.

Personal Alert

Personal Alert provides emergency response system services primarily to people living in Fairfield County and surrounding towns. Personal Alert receives income from client fees, which are paid by Southwestern Connecticut Agency on Aging and private payors.

FAMILY & CHILDREN'S AGENCY, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The financial statements of the Agency have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. Accordingly, the accounts of the Agency are reported in the following net asset categories:

Net Assets Without Donor Restrictions

Net assets without donor restrictions represent available resources other than donor-restricted contributions. These resources may be expended at the discretion of the Board of Directors. The Board of Directors has established a portion of the net assets without donor restrictions to function as an endowment.

Net Assets With Donor Restrictions

Net assets with donor restrictions represent contributions that are restricted by the donor as to purpose or time of expenditure. Net assets with donor restrictions also represent resources that have donor-imposed restrictions that require that the principal be maintained in perpetuity but permit the Agency to expend the income earned thereon. The Agency did not have any net assets with restrictions in perpetuity as of June 30, 2022 and 2021.

Measure of Operations

The Agency's measure of operations includes all changes in net assets except investment return, net and loss on disposal of property and equipment.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. It is management's opinion that the estimates applied in the accompanying financial statements are reasonable.

Cash and Cash Equivalents

Cash and cash equivalents include cash in banks and certain highly liquid investments with original maturities of 90 days or less, exclusive of amounts held by brokers, which are considered to be investments.

The Agency places its cash deposits with high credit-quality institutions. Such deposits exceed federal depository insurance limits at times during the year. However, management believes that the Agency's deposits are not subject to significant credit risk.

FAMILY & CHILDREN'S AGENCY, INC.

NOTES TO FINANCIAL STATEMENTS

The following table provides a reconciliation of cash, cash equivalents and restricted cash reported within the statements of financial position that sum to the total of the same such amounts shown in the statements of cash flows.

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 984,278	\$ 1,498,134
Restricted cash	<u>3,731</u>	<u>3,731</u>
Total Cash, Cash Equivalents and Restricted Cash Shown in the Statements of Cash Flows	<u>\$ 988,009</u>	<u>\$ 1,501,865</u>

Accounts Receivable

The Agency generally does not require collateral or other security in providing health care and other services to clients. However, the Agency routinely obtains assignment of clients' benefits payable under their health care insurance programs, plans or policies. Based on management's assessment of the credit history with clients having outstanding balances and their current relationships with them, it has concluded that a reserve of \$50,000 is deemed necessary at June 30, 2022 and 2021. Accounts receivable balances are written off when management has concluded that all reasonable methods of collection have been exhausted.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains include the Agency's gains and losses on investments bought and sold as well as held during the year. Realized and unrealized gains and losses on these investments are reported in the statements of activities as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

Property and Equipment

Property and equipment acquisitions and improvements thereon that exceed \$1,000 are recorded at cost or donated value. Depreciation is provided using the straight-line method based on the estimated useful lives.

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

Restricted Cash and Refundable Deposits

Restricted cash and refundable deposits represent adoption funds received from prospective parents, which are held in escrow for future payments.

FAMILY & CHILDREN'S AGENCY, INC.

NOTES TO FINANCIAL STATEMENTS

Refundable Advances

Amounts of grants and contracts that are received but unearned are reflected as refundable advances in the accompanying statements of financial position and are subsequently reflected in the accompanying statements of activities during the period to which they apply as funds are expended.

Revenue Recognition

Family & Children's Agency, Inc. recognize revenue at an amount that reflects the consideration to which Family & Children's Agency, Inc. expect to be entitled in exchange for transferring goods or services to its customers using the following five step process:

1. Identify the contract(s) with the customer
2. Identify the performance obligation(s) in the contract
3. Determine the transaction price
4. Allocate the transaction price to performance obligations in the contract
5. Recognize revenue when (or as) the company satisfies a performance obligation

Refer to the following disclosures for details on how the above five step process is applied to the Agency's contracts with customers.

Service Contracts

Family & Children's Agency, Inc. revenue is derived from contracts for adoption services, behavioral health services, child welfare services, home care services and personal alert program. Income is recognized at a point in time when the performance obligations have been met.

Contract Balances

The opening and closing balances of Family & Children's Agency, Inc.' accounts receivable related to service contracts are as follows:

	<u>Receivables</u>
Opening (July 1, 2020)	\$ 678,026
Closing (June 30, 2021)	<u>666,970</u>
Decrease	<u>\$ 11,056</u>
Opening (July 1, 2021)	\$ 666,970
Closing (June 30, 2022)	<u>633,090</u>
Decrease	<u>\$ 33,880</u>

There was no deferred revenue related to service contracts.

FAMILY & CHILDREN'S AGENCY, INC.

NOTES TO FINANCIAL STATEMENTS

Transaction Price

Adoption services, behavioral health services, child welfare services, home care services and personal alert program are identified through contracts. The transaction price is determined up on establishment of the contract that contains the final terms of the agreement, including the description and price of each service and payment terms. Management has determined that Family & Children's Agency, Inc.'s contracts do not contain a significant financial component.

Performance Obligations

Contracts for services are assessed for performance obligations at contract inception. Family & Children's Agency, Inc. determines the performance obligations based on contract specifics and ultimate deliverables to the client. To identify the performance obligations, Family & Children's Agency, Inc. consider all of the services promised in the contract regardless of whether they are explicitly stated or implied by customary business practices.

The services rendered represent point in time transactions for services rendered and invoiced at a point in time. Revenue is not recognized until the service has been rendered and the performance obligation has been met.

Contributions, Including Government Grants and Contracts

In accordance with ASU 2018-08, certain governmental grants and contracts received by a not-for-profit, including certain awards to fund capital expenditures, are generally considered to be contributions rather than exchange transactions since there was not commensurate value transferred between the resource provider and the Agency. Promises to give that are subject to donor-imposed conditions (i.e., a donor stipulation that includes a barrier that must be overcome and a right of return of assets) are recognized when the conditions on which they depend are substantially met, that is, when the conditional promise becomes unconditional. Unconditional contributions are recognized when promised or received, as applicable, and are considered to be available for unrestricted use unless specifically restricted by the donor.

The Agency reports contributions of cash and other assets as donor-restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities as net assets released from restrictions. Contributions received whose restrictions are met in the same period are presented as net assets without donor restrictions. Transfers of assets from a resource provider received before the barriers are overcome are reported as deferred revenue on the accompanying consolidated statements of financial position.

Conditional government grants and contracts not recognized as revenue as of June 30, 2022 total \$5,752,154. Government grants and contracts are conditioned on incurring qualified program expenses.

The Agency receives a significant portion of its revenue from the State of Connecticut. A significant reduction in the level of this support, if it were to occur, could have a significant effect on the Agency's programs.

NOTES TO FINANCIAL STATEMENTS

Program Fees

Program fees are reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered.

Donated Property and Services

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills and would otherwise be purchased by the Agency. Donated services meeting these criteria consisted of donated program supplies totaling \$89,270 and \$49,646 for the years ended June 30, 2022 and 2021, respectively, and are included in the revenues and expenses on the statements of activities. Donated property and goods are recorded as support and expensed at fair market value when determinable, otherwise at values indicated by the donor.

While many individuals volunteer their time and perform a variety of tasks that assist the Agency, no amounts have been recognized in the accompanying financial statements for such services because the criteria for recognition of such volunteer efforts have not been met.

Functional Expense Allocation

The cost of providing the various program and supporting services has been reported on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the program and supporting services benefitted. Such allocations have been determined by management on an equitable basis. Allocation of overhead expenses including occupancy and depreciation are allocated to functional areas based upon square footage. The allocations of other common expenses that by their nature are administrative in support of the overall agency are accumulated in a pool and allocated to programs and supporting services by cost center based upon the total salary expenses in each cost center.

Income Taxes

The Agency is exempt from federal income taxes under provisions of Internal Revenue Code Section 501(c)(3). Accordingly, no provision for income taxes has been made.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

Subsequent Events

In preparing these financial statements, management has evaluated subsequent events through December 16, 2022, which represents the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Agency has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for financial instruments measured at fair value:

Money Market Funds

Money market funds are valued at the quoted net asset value of shares reported in the active market in which the money market funds are traded.

Mutual Funds and Exchange-Traded Equity Funds

Mutual funds and exchange-traded equity funds are valued at the quoted net asset value of shares held by the Agency at year end.

There have been no changes in the methodologies used at June 30, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Agency believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FAMILY & CHILDREN'S AGENCY, INC.

NOTES TO FINANCIAL STATEMENTS

The fair values of all investments are determined using quoted prices for identical assets in active markets in which the Agency has access (Level 1).

The following tables set forth the Agency's assets at fair value as of June 30, 2022 and 2021:

Description	2022

NOTE 4 - UNEMPLOYMENT SERVICES TRUST

The Agency is self-insured for unemployment claims through Unemployment Services Trust (UST). Contributions to UST are accumulated and used to pay future claims. The Agency could be required to make additional payments if claims exceed the accumulated contributions. As of June 30, 2022 and 2021, accumulated contributions of \$222,031 and \$220,338, respectively, were included in other assets on the statements of financial position, and there was an estimated claim liability of \$16,583 and \$40,607, respectively, included in accounts payable and accrued expenses on the statements of financial position. Per the contract with UST, the Agency has the ability to withdraw funds if accumulated contributions exceed the estimated liability.

Net Property and Equipment	<u>\$ 303,307</u>	<u>\$ 381,734</u>

NOTE 6 - LINE OF CREDIT

The Agency has an available line of credit in the amount of \$1,400,000. Interest is payable monthly based on *The Wall Street Journal* Prime Rate (4.75% and 3.25% at June 30, 2022 and 2021, respectively), and will be renewed annually at the bank's discretion. The line of credit is secured by substantially all of the Agency's assets and contains various financial and other covenants.

There was no balance outstanding as of June 30, 2022 and 2021.

NOTE 7 - NOTES PAYABLE

On April 16, 2020, the Agency received a Paycheck Protection Program (PPP) loan of \$1,921,000 granted by the Small Business Administration (SBA) under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). A portion of this loan may be forgivable based on the amount of qualifying expenses incurred and levels of employee headcount and salaries maintained during a measurement period. The Agency considers the PPP loan to be debt and, accordingly, will record the amount of forgiveness, if any, when legally released by the lender. The full amount of the loan, including accrued interest, was forgiven by the SBA on March 8, 2021. Forgiveness of the loan is subject to audit for a period of six years.

The Agency has an interest-free loan agreement with Eversource Energy for an energy efficient improvement project in Norwalk, Connecticut. The total amount of improvements financed was \$17,371. The term on the loans was for 40 months commencing in July 2020. Total payments of \$434 consisting of principal only were due monthly. The balance on the note as of June 30, 2022 was \$4,114, with payments due in 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 10 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Child welfare services and client support fund	\$ 40,013	\$ 77,541
Scholarship and staff enhancement	<u>-</u>	<u>288,165</u>
Total Net Assets with Donor Restrictions	\$ <u>40,013</u>	\$ <u>365,706</u>

Net assets were released from restrictions during the years ended June 30, 2022 and 2021 by incurring expenses satisfying the following purpose restrictions:

	<u>2022</u>	<u>2021</u>
Child welfare services and client support fund	\$ 94,306	\$ 23,326
Scholarship and staff enhancement	<u>288,165</u>	<u>507,396</u>
Total Net Assets with Donor Restrictions	\$ <u>382,471</u>	\$ <u>530,722</u>

NOTE 11 - ENDOWMENT

The Agency's endowment consists of funds designated by the Board of Directors to function as an endowment. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Changes in endowment net assets for the years ended June 30, 2022 and 2021 are as follows:

	<u>Without Donor Restrictions</u>
Endowment net assets - June 30, 2020	\$ <u>2,982,084</u>

NOTES TO FINANCIAL STATEMENTS

Return Objectives and Risk Parameters

The Agency has adopted investment and spending policies for endowment assets that attempt to maintain the purchasing power of the endowment assets. Endowment assets include only board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of various industry benchmarks and indexes while assuming a moderate level of investment risk. Actual returns in any given year may vary.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Agency relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Agency targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term rate of return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Agency has a policy allowing for the appropriation each year of up to 5% of its endowment fund's average fair value at the beginning of the fiscal year (July 1) in which the distribution is planned. In establishing this policy, the Agency considered the long-term expected return on its endowment. This is consistent with the Agency's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

NOTE 12 - DEFINED CONTRIBUTION RETIREMENT PLAN

The Agency maintains a defined contribution retirement plan as defined under Section 401(a) of the Internal Revenue Code. All employees are eligible to participate after one year and the completion of 1,000 hours of service. The Agency's annual contribution is equal to 3% of the eligible employee's annual salary. In addition, the Agency will contribute 100% of up to 2% of an employee's contribution. Employees are fully vested immediately for the first 3% and after three years of service for the 2% match. Employer contributions to the plan were \$341,790 and \$382,462 for 2022 and 2021, respectively.

NOTE 13 - FEDERAL AND STATE ASSISTANCE PROGRAMS

The Agency participates in a number of federal and state assisted grant programs. The use of grants in programs is subject to future review by the grantors. Such reviews may result in the Agency having liabilities to the grantors.

Laws and regulations concerning government programs, including the PPP loan and Employee Retention Credit established by the CARES Act are complex and subject to varying interpretations. Claims made under the CARES Act may also be subject to retroactive audit and review. There can be no assurance that regulatory authorities will not challenge the Agency's claim to the PPP loan, and Employee Retention Credit and it is not possible to determine the impact (if any) this would have upon the Agency.

NOTES TO FINANCIAL STATEMENTS

NOTE 14 - CORONAVIRUS

On January 30, 2020, the World Health Organization declared the coronavirus to be a public health emergency. As a result of the spread of coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets.

On March 10, 2020, Connecticut Governor Ned Lamont declared a Public Health and Civil Preparedness Emergency. As a result, the Agency announced that it would close offices and employees would transition into remote working. Once vaccinations were available to employees, the Agency created COVID-19 policies for return to work.

The Agency received an Employee Retention Credit (ERC) of \$1,124,382 for the second quarter of 2021 and \$1,177,163 for the third quarter of 2021. The ERC is a credit against certain payroll taxes allowed to an eligible employer for qualifying wages, which was established by the CARES Act and further amended by the Consolidated Appropriations Act (CAA) and the American Rescue Plan (ARP). During the year ended June 30, 2022 and 2021, the Agency recognized \$1,177,163 and \$1,124,382, respectively, as grant income based on certain payroll tax credits allowed for qualified wages that the Agency had incurred through June 30, 2022 and 2021. Included in accounts receivable was \$1,124,382 relating to the ERC at June 30, 2022 and 2021.

The duration of the uncertainties around the coronavirus and the ultimate financial effects cannot be reasonably estimated at this time.
